

AECSV

2023 Line-Up

AECSV Cadillac

<p>XT6 Premium Luxury & Sport</p>	<p>Available in Premium Luxury and Sport trims, the XT6 is expressive, athletic in styling, and sure to make an impression. Premium crafted high quality materials elevate the experience onboard the 3-row, 7-seater SUV, making every ride a peaceful one.</p>	
<p>Escalade Premium Luxury Platinum, Sport Platinum & ESV Sport Platinum</p>	<p>Exciting, bold, iconic - the Escalade demands attention. The Cadillac Escalade transforms luxury into legendary, and raises the bar in terms of technology with features like a curved 38" OLED Total Diagonal Display, Night Vision, a 36-speaker (that's right, 36) AKG Studio Reference Premium Audio System and Magnetic Ride Control.</p>	

AECSV Chevrolet

Silverado 1500 High Country	<p>The Chevrolet Silverado 1500 is all about performance, technology and functionality. This 420hp pickup comes in Crew Cab configuration and, with the standard Multiflex Tailgate, offers six different functions to help improve loading, unloading and accessing the cargo bed. Inside, the spacious interior is packed with technology, including a 13.4" diagonal infotainment touchscreen and a 12.3" driver information cluster.</p>	
Tahoe High Country	<p>It's called the most versatile and advanced Tahoe ever for a reason. Impressive mechanical prowess, commanding presence and a sharp sense of style make the 2023 Tahoe one of the most distinguished full-size SUVs on the road.</p>	
Suburban High Country	<p>Space with a purpose. Inside the 2023 Chevrolet Suburban there is plenty of space and versatility for all passengers and their cargo. As if that wasn't enough, the Suburban comes standard with dual 12.6" diagonal color-touch LCD HD rear screens, ensuring entertainment for all.</p>	

AECSV GMC

Sierra 1500 Denali & AT4

Astoundingly advanced and exceedingly premium, the 2023 GMC Sierra 1500 is designed for pickup excellence. Whether you're looking to travel in serious style with the Denali trim or chasing adventure with the 2" factory-lifted AT4, the 2023 GMC Sierra 1500 is ready to conquer all.

AECSV's range of GM brand vehicles will be distributed through a network of selected partners across Europe, starting July 2023. To learn more about AECSV and its portfolio, visit www.aecsv.com.
